### **WHY ARE THESE TOP SWEDISH POLITICIANS FANS OF "The Cat"?**

***"I long for the day when George Osborne has an earring and a small ponytail"***

Left to right **Johan Gernandt**, Chairman of the Bank of Sweden, **Anders Borg**, Finance Minister, **Carl Bildt**, Foreign Secretary and former Prime Minister, **Marianne Lundius**, President of the Supreme Court

*Not many comics and after dinner speakers are as versatile as "the Cat" as was shown in Stockholm in September.*

*Johan Gernandt (see above) spent some time in England as a young man and loved the music hall and English comedians. So for his 70<sup>th</sup> birthday he hired a dinner boat for 150 people and sailed round Stockholm with his friends and colleagues of the calibre of those shown above.*

*Bob spent two days in Stockholm testing what material would work and had a letter from Johan saying "this first, as far as I know, appearance of an English comedian (in Sweden) was a great success."*

*BUSINESS OF COMEDY - Bob has developed a brand new conference lecture both entertaining and informative about the whole business of comedy, how he started in the business, has developed his timing and delivery, how he researches for each event, Sweden being a good example. It is especially suitable for the after-lunch sessions at conferences.*
