In Brisbane there is a famous school, the Anglican Church Grammar School, known to all as "Churchie". The Head of Sports is Ian Greig, former England and Surrey cricketer and brother of the late Tony. Each year he puts on a lunch for 1200 and this year was the 13<sup>th</sup>. After this year's lunch he wrote to "the Cat"

*"Once again, thanks for a wonderful 40 minutes – a great deal of very positive feedback including one below from one of our long term supporters.:*

***"I think the Panel – Shane Warne, Phil Tufnell and Ian Healy, and the Guest Speaker - Bob "The Cat" Bevan are collectively the best group of speakers you have ever had. Did anyone record "The Cat's" act? It would be great to hear it again, actually I would pay for a copy and I am sure I would not be the only one"***

Before he left for Oz he was at Tonbridge AFC with **Matt Le Tissier**, Southampton, England and Sky legend. Dinner Chairman Roger Maddams wrote ***"Thanks so much for last night - you (and your sidekick Matt) were absolutely brilliant."***
