

# NINE LIVES

The March 2018 Newsletter for Bob "the Cat" Bevan MBE  
UK'S LEADING AFTER DINNER ENTERTAINER

*End of an era. Last of the great music hall comics. Had the privilege of working with SIR KEN DODD and this was at his 90<sup>th</sup> birthday lunch last year*

Below are just three of the rave reviews for Bob "the Cat" this month.

-----00000000000000000000000000000000-----

*My main reason for writing was to thank you for engaging one of the funniest men – probably the funniest man - I have heard in many years of attending s functions: Bob "The Cat" Bevan. His delivery, timing and content were superb. The latter was at times adult edgy, but never offensive – so good these days to hear a comedian who doesn't rely on inappropriate language to get his laughs" Mike Derum*

*"Sorry I couldn't be there but I heard the Members loved the evening and had nothing but praise for you. Thank you. By all accounts it was a great event!" Gary Strangoe, Manager, Reading GC*

*"Excellent show, greatly enjoyed by customers and suppliers alike. They were still talking about it a week later!" Simon Bicknell, Marketing Director, Toolbank*

**COMING UP - Forces Charity Lunch for the SAS at Hereford with JIM DAVIDSON OBE and KEV ORKIAN from "Britain's Got Talent", GUEST of HONOUR at the Mayor of Tunbridge Wells Dinner, corporate and sports functions, cruises and yet another tour to Australia**
