

Bob “the Cat” Bevan MBE

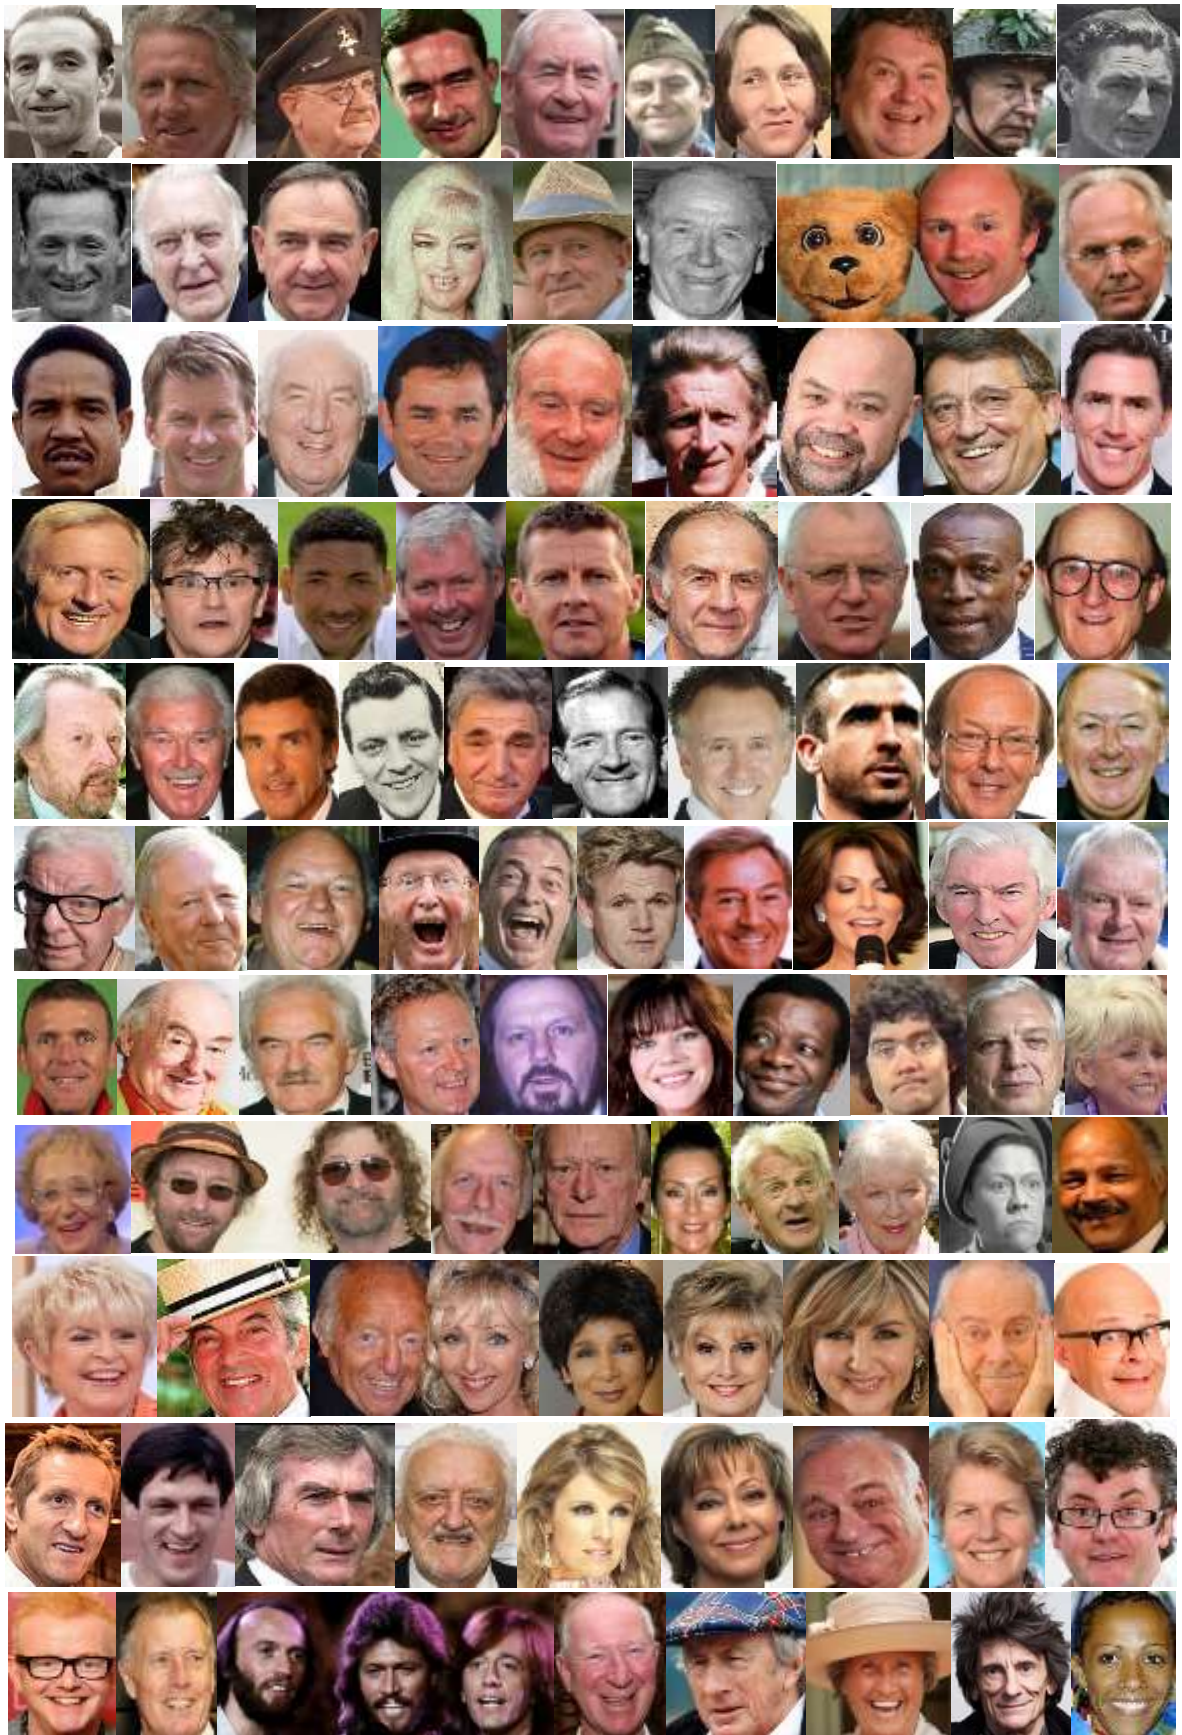

UK’s Top After Dinner Entertainer & Comedian

Career CAT-A-LOG of Fame – so far!

“The Cat” first started making people laugh in public at the Old Wilsonians’ Association Annual Dinner alongside the cricket legend MICKY STEWART. Within a few years he was being booked by ROD STEWART (no relation) for his Dad’s 80th birthday. There followed TV, radio, interviewing, hosting, poetry, speech and script-writing, a book and performances around the world including several tours to Australia. There were also Presidencies of Kent County Cricket Club and the National Sporting Club, the MBE, an entry in Who’s Who and Celebrity Ambassadorship of Variety. In the next pages are, in no particular order, just some of the celebrities from sport, show business and public life with whom he has appeared since. AND THE ‘PHONE IS STILL RINGING
